STATEMENT 3

Form 990 Part VI(A) Line 5 // Significant diversion of organization's assets

On November 4th, the Executive Director reported to the Board that the Finance Department had uncovered that the head accountant and Director of Administration in Nicaragua was engaged in fraud. The dollar amount in question was relatively small (around \$2,000), which had been mis-appropriated through unauthorized bank withdrawals, unauthorized loans to themselves and unauthorized expenditures. We terminated their employment as a result. We also implemented stringent separation of duties to ensure proper checks and balances be in place to prevent this from re-occurring. Through the process of investigation, we uncovered additional fraudulent transactions by the same person – the total loss is estimated at USD \$10,000.
